

Join us for **INDUSTRIAL DEMO DAY**

MAY 3rd | EAU CLAIRE, WI

Wolter Group LLC invites you to join us for a hands-on industrial demo day... presenting the latest forklifts & material handling equipment paired with Generac's exclusive "Power Experience Tour Truck". **Includes a catered lunch, door prizes & raffles!**

Industrial Generators

Step into Generac's Power Experience Tour truck, where you'll learn about generator sizing, unique applications, a live paralleling demo, interactive genset controllers, spec writing, value engineering & more.

Industrial Equipment

Test drive the latest technologies in forklifts, aerial lifts, & more. A unique opportunity to see & operate large industrial equipment. **Test drive to see the difference!**
