Updates from the Chamber

Your Chamber staff is now working from home and making it the top priority to provide members with the most current information on responding to and weathering the crisis. For the most current, constantly-updated information, see these Chamber-related pages:

[State and Federal Resources/Recommendations for Businesses](#) (Constantly updated information as it becomes available on business resources, action steps, government mandates, etc.)

[Eau Claire Chamber COVID-19 Page](#) (Information and links about local businesses, resources and more)

[Chippewa Valley Business Community COVID-19 Resource](#) (A Facebook Group for businesses to post and share information)

[Chamber Spring Election Guide](#) (Complete information on the April 7 election, including absentee & early voting info)

How to determine if your business is classified as essential or non-essential
[Pages 9-14 of the order](#) have detailed definitions of "Essential Businesses and Operations."

There is also a reference in that part of the order to guidance from the US Dept. of Homeland Security among the definitions.

[Click here to read the CISA guidance](#) for those to whom this might apply.

We're all in this together. Stay Calm and Stop the Spread. **#stopthespreadec**
